。

What,
are you
lost?

am I?

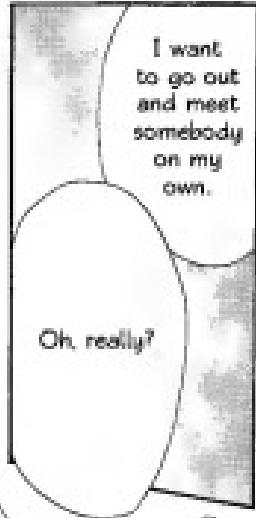

Who am I?

Huh?
Who am I?

Where...

I'm always just clinging on to other people...

They can tell when you've got no confidence in yourself, you know

God!

I just...

It's not like that!

bzz

when you're with your friends, all the good-looking ones get snatched up.

bzz
bzz

bzz

hah
hah

So, you're out hunting for a man!

would you say that to somebody you just met?

Why...

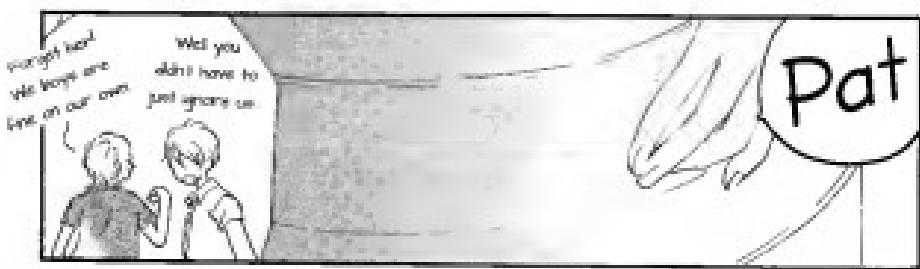

Grin
Anyway, you'd better come along to my place.

'Cause

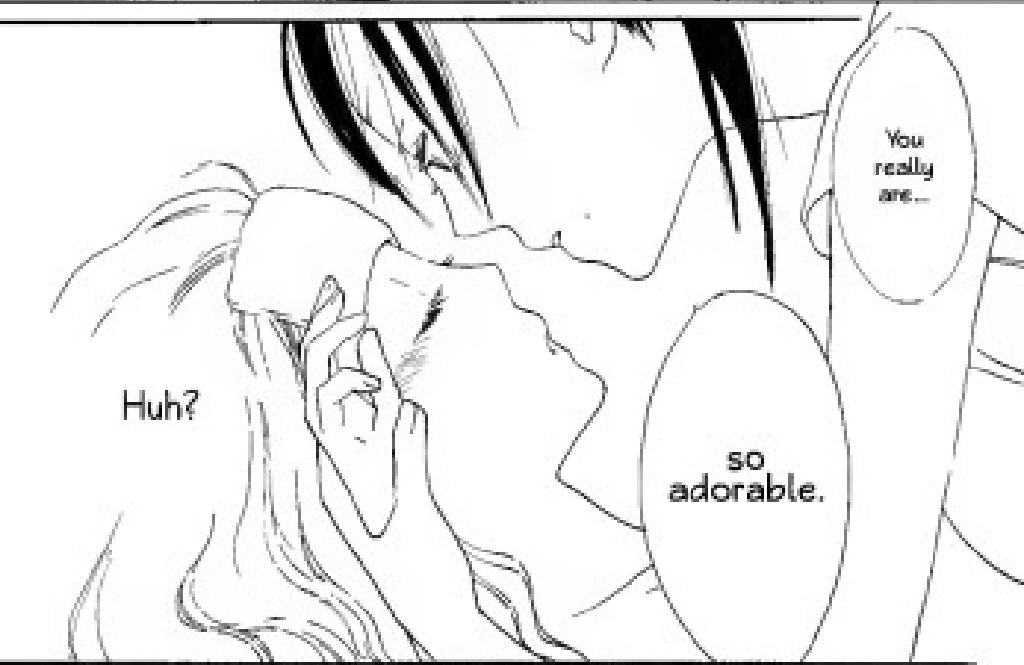

you're adorable!

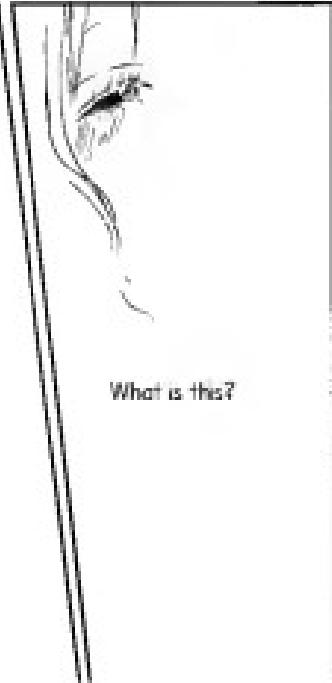

That was...
my first even

And it
was another
girl...

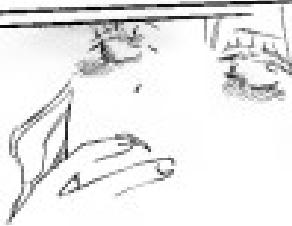

Did she just...

Another
order;
Uta-chan!

But I...

kind of liked it.

Got it.

I'm...

starting to
feel a little
hot again.

No way...

And I don't think
it's because of the sun
this time.

What about the group date?

Oh...
Sorry!

May
1984

March

You'll
answer for
us at roll
like usual,
right?

There's still a bit of
the sensational
left in

What?
This well—
empty?

You went
to the
beach,
right?
Is it
a boy-
friend?

Not
I just have
a paper to
write!

That's true.
But I won't
be able to
focus on it...

What?
I told you
we wouldn't have
enough people
without you!
You've been
totally antisocial
lately, Mach!

慎德先生

I want to...

see her again,
one more time.

I have to
see her

Sorry,
I really
have
to go.

But of course
I won't be able
to find her...

That beach-bar job
was just part-time
work for her

I'm sure she
lives somewhere
else entirely.

Two and
a half hours
by train and
bus...

What in
the world am
I doing?

What?

You're
sleeping
again?

This
isn't
beach
season,
Onee-
san.

What
are you
doing
here?

Uni-
form!?

So I'm
the older
one? I'm
not a child!

And you DO
live here!

Well,
I kept
calling you
"Onee-san,"
didn't I?

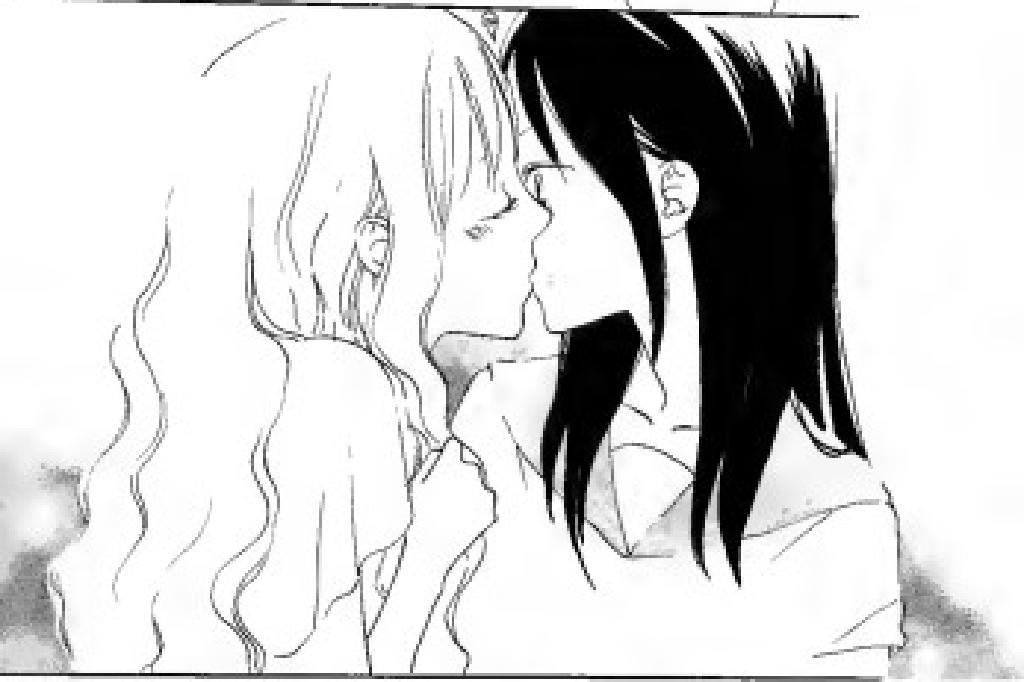

Like
my big
brother

Did you
get yourself
sick again?

Huh?

Was there
somebody here
you couldn't
forget?

No way.

Are you mad?

So you were awake.

What?

is so
freaking
adorable

Your face...

Ehhhh?

Kiss
me again,
Onii-san!!

Do it
again!

what? ^

You'd better
stay over
tonight.

what?

How
about
tomor-
row?

I don't
know!

When's
the next
time you're
coming?

fin.
